

**International Forex Exchange Market(FX Market)** International Forex Exchange Market(Forex) is one of the world largest market. This is wonderful, full of excitement and of course lots of money. Now, a days [lots of broker](#) provided different types of environment to trade in this market. They have Forex Trading, Binary options Trading, Future Trading and also Stock trading. But the most two popular one is of course Binary options and Forex trading. **Should you trade Binary Option Or Forex ?(A Good reason To Trade Binary Options!)** Most of the people like to trade on Forex because its nice with lots of chart analysis and also combining with [fundamental analysis](#). But now a days, lots of successful trader like to trade on Binary options, because they know well in a time frame where price may go and most of trader get successful on this binary environment. **Free Bonuses from [Binary Options Brokers](#)(No deposit Bonus for Binary Options)** Many brokers now a days provides huge opportunity with lots of bonus to join in binary trading. From persona point of view they trader who is very good in Forex trading he must will also be successful in [Binary options trading](#). But as always had need to be cool and calm and whatever it is Binary or Forex its doesn't matter. **By Tapash Rakshit**
