- Maximum Payouts among all Binary Options Brokers.
- Accepting US traders

On CloseOption, There Are Three Account Types:

- Real Account
- Demo Account
- Contest account

Real Account: \$5 minimum deposit amount and \$1 minimum trade value has placed CloseOption in low-risk brokers group for Binary Options novice traders. In many Binary Options Brokers, minimum amount of deposit is \$250 and minimum trade value is \$5 which is a great limit. **Demo Account:** CloseOption provides traders with unlimited Demo account and in case a trader loses Demo money, he

or she is able to reset the balance and recharge it to the initial value. This characteristic causes traders to practice easily in Binary Options World and test their knowledge without any risk. **Contest Account:** Normally, CloseOption holds Binary Options weekly contests. Participating in these contests is free and there is \$888 for 26 traders every week. High number of the prizes cause those beginner trader which do not have enough skills to be among winners and enjoy these contests more. [CloseOptions](#) with holding these contests, creates a proper environment for Forex and Binary Options Traders until a trader starts to test and experience his or her trading system in a professional atmosphere. **Are You a Novice in Binary Options Trading?** [CloseOption Blog](#) includes a lot of scholarly articles like "Profitable Trading Strategies on Binary Options", where those interested in learning about Binary Options, can refer to. **Accepting Traders from the United States:** This broker also attracts traders from America and has provided PayPal for American customers to deposit via PayPal Electronic Money. **Is It Possible to Get Rebates from CloseOption Broker Like Forex Brokers?** YES/ regarding setting up rebates service on [Binary Options Brokers](#) (currently only available on CloseOption and later on others) you can also get Rebates from Pipsafe for trading on CloseOption Broker!
