

When margin level drops below 100%, you will get SMS notification and be able to fund your account, if needed. On top of that, you will get notifications, when order is closed due to *Stop Out, Stop Loss or Take Profit*. You can switch on notifications in your Client Area. Please note that Stop Out level for Classic account is 20%, for Market Pro account is 40% and for ECN account is 60%. [**FreshForex**](#) **[Review](#) and Details [FreshForex](#) Broker**
