A UNION OF TWO GLOBAL LEADERS - Vice President of FC Barcelona Javier Faus inaugurates IronFX Global Headquarters in Limassol

IronFX Global, Limassol hosted a special inauguration event on 25 November, at its global headquarters, in commemoration of its official partnership with FC Barcelona, one of the world's most successful football clubs. The inauguration took place in the presence of Javier Faus, Vice President of FC Barcelona, and the IronFX senior management team.

After unveiling a dedicated plaque, FCB Vice President Javier Faus was given an exclusive tour of the 2,000 square meter office space, and was presented with a personalized gift in celebration of the global partnership - a handcrafted ornament symbolic of the legendary union of football supremacy with trading leadership. More than 400 employees work from the IronFX headquarters in Limassol, many of whom are personal account managers providing an award-winning service to clients and partners, making this office a major hub for the global operations of IronFX. During the tour, Javier Faus also viewed an attractive photo exhibition showing the global reach of IronFX, via more than 60 local offices worldwide.
