

BlockFi Recognized as the Fastest-Growing Company in the United States.

BlockFi - In the new list published by Inc magazine, crypto companies are among the fastest-growing private companies in the United States and BlockFi's name is at the top of the list. The Inc. 5000 list ranks the crypto lender at number one in 2022, having experienced 245,616% growth, leading its nearest rival by 99,000%. The average growth rate for all 5,000 companies was 230%. According to the magazine, Polygon, CoinFlip, and Distributed Ledger are other major crypto-related companies. Companies on the 2022 Inc. 5000 list have not only thrived but have demonstrated resilience in the face of supply chain disruptions, labor shortages, and the ongoing impact of COVID-19. The three-year revenue growth among the top 500 organizations reached 2.144%. Over the past three years, these companies have created more than 68,394 jobs. This is after banks start investing in the cryptocurrency and blockchain ecosystem in 2021. Companies on the list are now optimistic about the future despite the challenges ahead.
