IronFX Global MENA Limited, is pleased to announce that it has been granted the licence to operate as an Authorised Firm by DFSA (Dubai Financial Services Authority). The DFSA is known for its exceptionally strict supervisory regime, and insists upon the highest levels of compliance from its members. It also has one of the most stringent conditions of entry compared with other regulators globally. This new authorization obliges IronFX Global to operate under the principles of fairness and transparency, as well as to protect the users of financial services in Dubai.

Chairman & CEO of IronFX Global, Markos Kashiouris

commented: “We are truly delighted with the decision of the DFSA to grant us with this licence to operate in Dubai. This additional licence symbolizes a new phase in the global growth of IronFX, as we seek to enhance our reputation as a solid firm of integrity and reliability, in the Middle East.” **Forex Brokers News IronFx Broker** [/text]
