

[text] **Forex Brokers News FxPro : New lower spreads and account types** We are writing to inform you about some important changes to our pricing, as well as to introduce you to a number of new FxPro account types. As many of you will have already noticed, our spreads have been reduced on all major currency pairs. In addition to our MT4 accounts with variable spreads, we now also offer a fixed spread MT4 account. Perfect for news traders and those using EAs, our fixed spread account allows you to calculate your trading costs much more accurately by guaranteeing you a highly competitive minimum and maximum spread range on 9 major currency pairs. **Latest Forex Brokers News By PipSafe.com**
