

[text] **Forex Brokers News New Seminars for Traders in Thailand and Malaysia** Tradepedia rising star Marios Pashardes is travelling east to present a couple of seminars to XM clients in Thailand and Malaysia. The seminar in Thailand will take place at the Novotel Bangkok Hotel on the 22nd of March, while the seminar in Malaysia will take place at the Sheraton Imperial Kuala Lumpur Hotel on the 28th. Attendees in Thailand will learn how to use Technical Analysis to spot and execute the best trades every day, in addition to understanding the hidden relationships of multiple time frames and how they are applied to intraday trading. Meanwhile, those attending later in Malaysia will learn how to combine indicators and analyze the market in multiple time frames to map out the direction of the market. The seminars are 100% free for XM clients but space is limited so please ensure that you register early to avoid any disappointment.
