As Cyprus is a small island, [XM](#) always seeks an opportunity to give something back to our local community, this was a perfect opportunity to do so. The staff from our Head Office were up along with the glorious sunshine ready to take part in this annual event, along with many other participants who travelled from various countries across the world to be there. Everyone had a fun, fulfilling day in the race as well as one of our very own colleagues, Dagmara Handzlik, who came 2nd place in the 21km half marathon - we are very proud of her!
