

[text] [Forex Brokers News \(FXPRO BROKER\)](#) Margin requirements for **all Swiss Franc ('CHF') pairs** will be decreased to 1%. In other words you will be able to trade all CHF pairs with a leverage of up to **1:100**. In addition, on this date **MT5 will be employing dynamic leverage**. As a result of this change, MT5 account holders will be able to increase their account leverage up to 1:500 in line with MT4 and cTrader. For more information on the specifications please visit the following link: <http://www.fxpro.co.uk/trading/products/info>
