

[text] [Forex Brokers News FBS](#): The topics of the lectures were: “The Importance Of Money management, Trading Psychology, And Discipline”, “The Power of Divergence - How To Predict The Future”. We were very glad to meet our clients from Malaysia! FBS representatives noticed a lively interest to the lecture. After the seminar, the attendants asked a great number of questions and learnt more about FBS services. Thank you for your enthusiasm! Our clients are the best, the most confident and keen to improve together with the company! In our turn, we are extremely happy to organize training seminars for you that would help you get maximum profit! At the seminar, we were giving out 2500\$ bonuses to trading accounts for all visitors. FBS company has made the day festive! Besides, the seminar program had a nice addition - a lunch-break for all guests. [FBS Review Latest Forex Brokers News by PipSafe](#) [/text]
