

[text] Forex Brokers News OctaFX - The Best Global STP Broker 2015 - adds two more awards to its collection! OctaFX's

expansions and global orientation allowed us to receive Best Global STP Broker. Our traders locate in different parts of the world, and the number of newcomers from different countries continues to grow. We welcome every trader to share our mutual success. According to Forex Report, OctaFX leads the social trading revolution. This high praise helped us to receive the award in Outstanding contribution to the FX Industry. We believe our tools and innovative approach in providing service to the customers were the key to the recognition.
