OctaFX is ready to present one more improvement for cTrader users! We are now supporting cTrader for Apple devices! Good news for every cTrader user in OctaFX community! You can now trade 48 currency pairs using cTrader for iOS! The application can be downloaded free of charge and is compatible with iPhone, iPad and iPod touch. Our app is also optimised for iPhone 5, iPhone 6 and iPhone 6 Plus.

cTrader gives you the very best in FX trading as a native app. Enjoy fast execution for FX and commodities and easy-to-use interface with full balance, margin and P&L information. View all symbols and rates, including your favourites list. You'll get the same core functionality as cTrader Web for Mobiles, with faster launch times and the same easy-to-use interface.
