

Trading as a Business Over many years of trading, I've found certain principles to be true. Understanding and using basic principles provides an anchor of sanity when trading in a crazy world. Whenever I find myself under stress, questioning my judgment or my ability to trade successfully, I pull out these basic trading principles and review them. I used to think that there were experts and geniuses out there who knew what was going to happen in the markets. I thought that these traders and market gurus were successful because they had figured out how to predict the markets. Of course, the obvious question is that if they were such good traders, and if they knew where the market was going, why were they teaching trading techniques, selling strategies and indicators, and writing newsletters? Why weren't they rich? Why weren't they flying to the seminars on their Lear Jets? **To read more, Please download the book. [Download This Book](#)**
