

Olympic Bonus from InstaForex - Inspired by the upcoming 2016 Summer Olympics in Rio, we have launched a new campaign, the Olympic Bonus. According to its terms, every InstaForex client can receive an additional 15% on top of the regular deposit bonus during the games. The campaign will be active during the Olympic Games in Rio de Janeiro, Brazil: **from August 5, 2016 to August 21, 2016**. Profits generated from trading the bonus can be withdrawn without any limits. After the Olympics ends, the bonus will not be cancelled, but will remain in a client's account. The key advantage of the Olympic Bonus is that it can be added to the 30% Welcome Bonus. So a customer can receive 45% instead of usual 30%! All account types can participate in the campaign except for MT5 accounts.
